### **Release and Waiver of Liability and Indemnity Agreement:**

The parent(s) and/or legal guardian(s) of the "Student", a minor, in consideration of the opportunity to participate in the programs and activities of the Center for Architecture (the "Center"), hereby agree and acknowledge that:

1. The Student is participating in the Center's programs and activities with my consent and at my and the Student's own risk.
2. I understand that there are risks and dangers involved in any form of group activity and that these risks and dangers may be caused by one or more persons and factors, including, but not limited to, the condition in which the programs and activities take place or the action, inaction or negligence of any one of the other participants in the program or activity, other visitors to the Center for Architecture or the Releasees (as hereinafter defined).
3. There may be other risks and dangers relating to the Student's participation in the Center's programs and activities that are not reasonably foreseeable at the time of the program or activity or that are unknown to the Releasees at the time of the program or activity.
4. I, individually and on behalf of the Student and the Student's heirs, legal representatives and assigns, fully accept and assume all risks and dangers associated with the Student's participation in the Center's programs and activities and all responsibility for any loss, liability, damage or expense, whenever arising or discovered, and for any claim or demand on account of, or relating to, any injury to the Student (of whatever extent or nature) and any damage to the Student's property, including injury, loss or damage (of whatever extent or nature).
5. In the event of injury to or sickness of the Student, the Center is authorized to provide the Student at my expense, any medical or hospital care deemed necessary, and if deemed advisable, to arrange for the return of the Student to my custody, at my expense. I understand that if the Student exhibits COVID-19 symptoms during a program, they will be immediately quarantined away from other participants, monitored at a safe distance by a staff member, and I will be notified to promptly pick up and remove the Student from the program. I understand that my Student will not be allowed to return to the program until they can provide evidence of a negative COVID-19 test.
6. I, individually and on behalf of the Student, the Student's heirs, legal representatives and assigns, hereby release, waive, discharge and covenant not to sue the Center for Architecture, the AIA New York Chapter, their administrators, directors, officers, agents, volunteers and employees and any other participants in the Center's programs and activities (the "Releasees") from any liability, claims, demands, losses or damages (of whatever extent or nature) to the undersigned and to the Student however incurred or alleged to be incurred and hereby agree to indemnify the Releasees against any liability, claim, demand, loss or damage (of whatever extent or nature) on account thereof.

### **Consent for Use of Student Image:**

I agree to allow the Center or its agents to photograph or record the Student during their programs. I further agree that the Student's image or likeness in photographs, videos, or audio may be used and reused for educational or promotional purposes of the Center, or not-for-profit purposes selected by the Center for Architecture or their partner organizations, including posting on the Internet. I agree that the use described herein is without compensation to me or the Student. # **CENTER FOR ARCHITECTURE** In-Person Youth Programs

## Terms & Conditions | COVID-19 Safety Protocols

### **COVID-19 Safety Protocols**

Our in-person programs will look a little different this year, and your health and safety are our top priorities. Please be assured that the Center is following guidelines issued by the Centers for Disease Control (CDC), New York State, and New York City for increased health and safety procedures. In the event that guidelines change, and we are not able to host in-person programs safely, we will move all programs to an online format. Here's what you need to know about how we are keeping you and our staff safe.

#### **Before Programs:**

- All individuals 12 and older must be fully vaccinated in order to attend in-person programs. Children younger than age 12, who are not eligible to be vaccinated, will be required to wear masks at all times.
- Program participants and staff who have tested positive for COVID-19 within the past 14 days, or are living in a household with someone who has, may not attend in-person programs until their symptoms have resolved and they receive a negative COVID-19 test.
- Program participants and staff who are experiencing symptoms related to COVID-19 may not attend programs until their symptoms resolve and they receive a negative COVID-19 test.
- Program participants and staff who have traveled internationally or visited any states subject to a [NY quarantine order](#) within the past 14 days may not attend in-person programs.
- All in-person youth program staff are fully vaccinated against COVID-19 and will undergo health screening each day.

#### **During the Programs:**

- In line with NYC requirements for museums and galleries, all individuals 12 and over will be required to show proof of vaccination and ID to enter the building.
- All staff, program participants, and visitors will be required to wear masks indoors regardless of vaccination status. Masks must be over-the-ear, covering both the nose and mouth, and fit snugly against the sides of the face. Additional disposable masks will be provided to program participants who need them.
- All program participants and staff are encouraged to regularly wash/sanitize their hands and practice safe social distancing while indoors.
- All program participants will be screened through temperature checks and health questionnaires daily prior to entry.
- For drop-off programs, the adult accompanying the student must stay until the temperature check has been completed. Anyone with a temperature of 100.4 degrees or above will not be allowed to enter the building.
- If a program participant becomes ill with COVID-19 related symptoms while at the Center for Architecture, they will be immediately quarantined away from others and the parent/guardian will be notified to come pick up the child at that point. Students in middle school and high school programs who have parental permission to self-dismiss (designated during registration) will be able to leave on their own once the parent/guardian has been notified.
- Families should notify the Center for Architecture at [k12education@centerforarchitecture.org](mailto:k12education@centerforarchitecture.org) immediately if their student or a member of their household tests positive for COVID-19. Refunds are not issued for student illness, including COVID-19.
- In the event that a staff member or student tests positive for COVID-19 infection during a multi-session program, the affected class will be notified and the class will transition to an online format until all students and staff have been cleared to return. Students will bring home a bag of at-home design supplies on Day 1 to allow for a smooth transition if required.
