LEARNING BY DESIGN:NY

This program is a multi-session classroom residency that uses architecture and design as vehicles for fostering learning and discovery across core subject areas, cultivating students' observation skills, critical thinking, problem solving, and creativity.

Your support underwrites the cost of this program in NYC schools.

GUESS-A-SKETCH

SUMMER & VACATION PROGRAMS

For K-12 students, these programs explore topics in architecture and design through art and design activities, walking tours, and site visits.

Proceeds from this event enable us to provide financial aid and scholarships to students.

GUESS-A-SKETCH

STUDENT DAYS

Student Day workshops are two-hour, hands-on programs for school groups interested in enriching their classroom learning through the disciplines of architecture, engineering, urban planning, and design.

Your donations provide discounted field trips to the Center for Architecture for Title I NYC schools.

GUESS-A-SKETCH

FAMILY DAYS

These weekend programs introduce families to architecture and design through hands-on art and model building activities, gallery tours, and design challenges.

Your contributions help us offer these family programs at low cost to the public.

GUESS-A-SKETCH

AFTER-SCHOOL PROGRAMS

These programs for students in grades 3-12 introduce a new architectural topic of interest each week through art activities and design challenges, building students' design skills and understanding over a series of sessions.

Your participation in this event helps us provide need-based scholarships to students.

Proud sponsor of the AIA Guess-A-Sketch event

Since Arup's New York office opened in 1989, our teams have brought together expert planners, designers, engineers, and technical specialists to create integrated solutions that consider how all elements of a building's design work together to meet the needs of its owners, occupants and environment.

Together we can build a safe and resilient future.

STRENGTH IN CERTAINTY

NYC CONSTRUCTION & DESIGN LEGAL SERVICES & BUSINESS COUNSEL

We are highly experienced and skilled construction & design lawyers representing architects, engineers, design consultants, contractors, owners, and developers.

We offer expert counsel on matters including negotiating design professional agreements and license agreements, as well as business formation, ownership transition, copyright & intellectual property, and employment matters.

We anticipate problems before they occur, and develop long-term strategies to avoid litigation. However, when conflict is unavoidable, we are committed to exploring all options including litigation, arbitration, and mediation, for a quick, cost-effective, optimal resolution.
