

Looking Outside My Window Drawing Activity

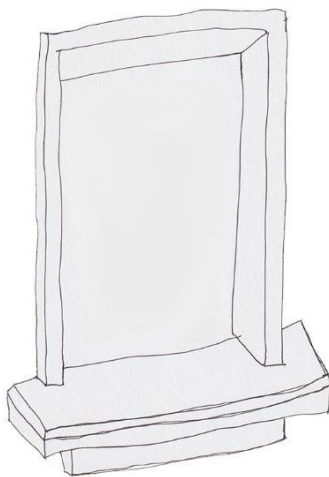

The word **window** comes from old Norse language meaning "wind eye". Windows are the eyes of a building, letting people inside see the world outside. What do you see from your window? What would you like to see?

Materials

Pencil • Colored pencils or crayons • Paper

Instructions

Step 1 Find your favorite window that you like to look out of.

Step 2 Using your pencil, draw the window and the view that you see through it. When you are ready, add some color to your drawing.

Step 3 Draw your window again, but this time, draw what you would like to see outside. We chose an island in Greece.

Step 4 Share a photograph of your creation on Instagram! Tag @centerforarch and use #windeye
